August 4, 2009

*MEETING OPENED BY PRESIDENT ZASKEY AT 7:19 P.M.

PUBLIC INPUT

Mayor Bissonnette, Commended the Sponsors and Volunteers for the Night Out against Crime. It has become so involved and there are good things going on.

Melvin Brown, 56 Roy Street, M-12 procedure for the adoption or revision of the charter should be done by the voters.

Charles Desmarais, 17 Boylston Street, retired teacher in the local high schools, vice-chairman of the Council on Aging. He wants to show support for the new Council on Aging building, would like to build on the tract of land between Facemate and Uniroyal.

Adele Tawrel, 79 Sunflower Avenue, President of the Friends for Seniors. They are committed to raising 2 million dollars and would like to thank to Councilors for their support.

Joe Breton, 35 Florence Street, an employee of the Water Dept. would like to know why the Water Dept. is falling under the umbrella of the DPW. The projects of the Water Dept. come from their own funds. The city just spent money for search committees to replace the head of the Water Dept. all the money will be wasted. Their vehicles come and go all hours of the night and they are in a central location. Time and fuel will be less economical if they are based out of the DPW. He would like answers why the Mayor wants to combine these departments.
